From the Director

The library saw a number of changes in 2023. The highlight was the when the community overwhelmingly passed our increased funding request-Thank you!!

We hired Molly Salisbury to be a Youth Programmer. Our wonderful director, Alexis Tackett, moved back to Texas in October but continued to work for the library until her replacement, Dee Ann Campbell, was hired in March 2024.

The library got an image upgrade with a great new logo. Our website got a major overhaul with a new look and more functionality. It's a great place to search for your next read and follow what's coming up at the Library. We will start introducing new website features in the coming months.

We have many exciting programs in store for 2024. Please join us, and bring a friend!

Sincerely,
Dee Ann Campbell
Director
